1. I informed [] that in securing the passage of [], a private bill for the relief of [] Chairman Walter had indicated that [] services were needed by a government agency. I informed [] that this might be a security breach making it impossible for CIA to utilize [] stated that he would inform the Branch, but that in all probability they could utilize []

2. [] of DD/P stated that Mr. Wisner desired a memorandum from me as to my recollection as to what [] had testified to before the Internal Security Committee of the Senate Judiciary Committee. I suggested that [] would be the best witness on this point, but Mr. Wisner still desires my recollection.

3. [] of DD/P informed me that Mr. Wisner had ascertained that the State Department had informed the FBI and presumably the McCarran Committee of the names of the other persons present at the [] meeting. In this connection, I told Mr. [] for passing on to Mr. Wisner, that in a casual conversation I had on 4 or 5 July with Deputy Under Secretary of State Humelsine, he had told me that he had given access to the FBI to all State Department papers bearing on the [] case.
